CLUB HISTORY

Garrison Rifle & Revolver Club, Inc. was incorporated in 1943. Garrison Rifle & Revolver was formed during World War II as a minuteman club. The club members performed volunteer guard duty on strategic installations such as power stations, reservoirs, etc. as they were needed. After peace came to the world, club members' attention shifted to finding a suitable place to build a range for target practice and to hold competitive matches. On July 1, 1944, Garrison Rifle & Revolver members were instrumental in forming the Associated Gun Clubs of Baltimore, Inc. (AGC) and purchasing the original acreage to found the Patapsco Range on Marriottsville Road. Garrison Rifle & Revolver is a charter voting club of the Associated Gun Clubs of Baltimore, Inc.

A significant number of our members participate in Bullseye Pistol, High Power Rifle, Smallbore Rifle, and Trap competitions. Members of Garrison Rifle & Revolver who maintain membership and purchase AGC range badges are authorized to use all of the AGC shooting ranges and other facilities. Garrison offers training and classes and promotes shooting sports for all ages and abilities.
